INTRODUCTION

Filmcity introduces its new 2ft Power Video Camera Slider for videomakers who want to add drama, depth & action in their shots. The High strength slider rails add stability & smoothness in your camera footage. The camera plate features ball bearings that ensure extremely smooth & soundproof video operation. The carriage break on the side of camera plate helps to keep camera in static position. The end feet of video slider features level adjustment on uneven surfaces. The Heavy duty yet lightweight tripod slider also has threads on the ends for extra mounting options.
