INTRODUCTION

PROAIM presents Floor kit to convert your spark slider into a professional Dolly for capturing high impact footages .Not just that, you don't need to tripod mount the slider for double travel range, attaching this incredible floor kit to slider allows you to capture double length on floor itself.

WHAT'S IN THE BOX

Please inspect the contents of your shipped package to ensure you have received all that is pictured and listed below.

CONTENTS OF SHIPPING BOX:

Tripod Mounting Plate

Side Wheels

Screws

Allen Key

ASSEMBLING OF PROAIM FLOOR KIT FOR SPARK SLIDER

- Attach the side wheels to both ends of spark slider and tighten the screw with the help of allen key.

- Now attach the tripod mounting plate to the camera base of spark slider and tighten with the help of screw driver.

There are two ways to assemble the mounting plate.

I: Horizontal Mounting

II: Vertical Mounting

HORIZONTAL MOUNTING

VERTICAL MOUNTING

Note: The tripod mounting plate features rubberized feet that prevents scratches on delicate surfaces as well as twisting the rubber feet allows the spark slider to cover double distance on floor.

YOUR PROAIM FLOOR KIT FOR SPARK SLIDER SETUP AND READY TO GO

WARRANTY

We offer a limited time warranty for our products. For Mechanical products we provide a 6 month warranty & for electronic products we provide a 3 month warranty from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product, or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to **Contact us** immediately and we shall do our best to help you out.

For any other assistance you can reach us via email.
