INTRODUCTION

Matching components to build a quality Kit saves shopping time, initial cost and most of all the components are designed to work in concert with each other. In keeping with new image capture technology our PROAIM SPARK CAMERA SLIDER is a smart choice for today's shooters who demand flexibility and performance for all their digital media productions.

IN THE BOX

Please inspect the contents of your shipped package to ensure you have received all that is pictured and listed below.

Note : *The slider is available in 13", 17" and 21" . You will get the slider according to your purchase.*

Assembling of Spark Slider

- Screw-in Spark Slider on Tripod Stand **(Not Included)**.

We provide 1/4" screw attached with Spark Slider and provide conversion ring to convert 1/4" to 3/8".

- Screw-in the provided Conversion ring on 1/4" screw.

- Now screw-in your Fluid Head (**Not Included**) on spark slider.

- Secure your camera with quick release plate with help of screw driver.

- Re-insert your camera on Fluid Head and tighten the knob properly to secure.

- Press the lever to lock the camera plate in static position.

- Adjustable rubber feet prevent scratches on table, other delicate areas and provides accurate leveling on non-perfect surfaces.

YOUR SPARK CAMERA SLIDER
ALL DRESSED UP AND READY TO GO

WARRANTY

We offer a limited time warranty for our products. For Mechanical products we provide a 6 month warranty & for electronic products we provide a 3 month warranty from the date of purchase.

We will repair or replace your product, free of charge, in the event of a defect in materials or craftsmanship obtained during normal use or handling based on the user manual. Please note that we will not cover any shipping costs for returning the product to us. If any VAT or import duties are applied to the return, we will also charge these costs to the customer.

The warranty does not include, by the way of example, damage caused by products that we do not supply or from mishandling in transit, accident, misuse, neglect, lack of care of the product , or service by anyone other than our company.

We are not liable for incidental or consequential damages resulting from the use of the unit or occurring due to any breach of this warranty.

Replacement parts of the product will be provided at nominal cost (covering the cost price of the replacement parts only) to the customers after the Warranty Period has expired. We will cover the complete cost of sending replacement parts within the warranty period. After that, Nominal cost of the product & Actual shipping cost will be charged.

Do not send the unit to us without first getting a response and getting the approval to send back the item.

In case of any kind of dissatisfaction, we urge you to [Contact us](#) immediately and we shall do our best to help you out.

For any other assistance you can reach us via email.
